Dear Colleague,

Reconnect Summer Offer

I am delighted to attach a digital booklet which sets out Reconnect's Summer offer. I would be grateful if you would pass this on to parents and carers. Organisations across the County are delivering some fabulous opportunities for children, young people and families. We have only been able to capture the broader offers in this booklet. Many local events will be delivered by groups such as Scouts, sports clubs and community groups, and they will promote these through their local networks and direct contacts with families.

We know some offers have been incredibly well received, such as the free bus passes. I hope families find something of interest to them.

I would like to take this opportunity to thank the hundreds of organisations and thousands of volunteers who are supporting Reconnect this summer, and to thank you and your staff for everything you have done to support the County's children, young people and families through significant challenges this year. I wish you all a great summer. Thank you.

If you have any further queries, please email us at reconnect.kentcyp@kent.gov.uk or call a member of the Programme Team on 03000 423423.

Yours sincerely

David Adams
