

PARKSIDE COMMUNITY PRIMARY SCHOOL

Polite request...

Dear Parents/Carers,

At Parkside Community Primary School we are committed to keeping the children and staff safe and because of this we are politely asking for all adults to wear a face covering whilst on school site

I would also like to remind you that it should be restricted numbers of adults, 1 per family, on site if needed. When you have collected your children afterschool please make sure they remain with you and do not try and enter other rooms as we are keeping children in their own 'pods'.

We appreciate your support in keeping our children, staff and parents safe at this particularly challenging time.

Mrs McLevy
