The **Governing Body** will ensure the annual detailed report of the Schools Financial Value Standard (SFVS) is provided to them and the Chair of Governors will sign the completed form prior to sending a copy to the LA.

The **Finance and Pay Committee** is delegated responsibility by the Governing Body for the following aspects of financial management:

- Evaluate and recommend the three year budget plan, which shows clear links to the School Plan, for approval by the Governing Body

The **Executive Headteacher** is responsible for implementing the decisions of the Governing Body and for the operational management of the school.

The general administration of financial procedures has been delegated to the **Business Manager** at Garlinge Primary School and Nursery and to a Schools' Financial Services (SFS) representative at Parkside Community Primary School.

The **Head of Schools** are delegated the responsibility of monitoring the curriculum budget.

3.2 Internal Financial Controls

The internal financial controls operated by the schools follow the financial controls set out in the LA's Scheme for Financing Schools.

3.3 Financial Links to the School Plan

The School Plan has sufficient scope and depth of financial implications and it is reflected in the three year budget plan.

3.4 Monitoring and Virements

The schools recognise that the regular monitoring of income and expenditure against the agreed budget is central to effective financial management. To this end, the Business Manager/SFS representative carries out a monthly internal monitoring procedure and reports to the Executive Headteacher. This monitoring report is copied to the Chair of the Finance and Pay Committee. A monitoring report is taken to all Finance and Pay Committee meetings which then reports, as required, to the Governing Body. Monitoring reports are submitted to the LA in accordance with its timetable. Governors should ensure that their meetings are timed so that all monitoring submitted to the LA is seen either prior to submission, or soon after. This will ensure they have an up-to-date position of the schools' finances.

On occasions, virements need to be carried out. Virements to the approved budget are minuted appropriately and require the following authorisation:

Virements up to £8,000 – The Headteacher, reported to the Finance and Pay Committee

Virements from £8,001 up to £15,000 – The Finance and Pay Committee

Virements over £15,000 – The Governing Body

Parkside Community Primary School purchases Staff Absence Insurance through [Harrington-Bates Teacher Absence](#) for teaching and administration staff. This is reviewed annually.

3.6 Purchasing

Part of the curriculum budget provides day to day resources for the whole school. Subject Leaders submit an annual subject audit for their area of responsibility, which is approved by the Executive Headteacher in line with the priority needs of the school and the School Plan.

All staff adhere to the school procedures for purchasing items, paying regard to value for money at all times. The Executive Headteacher or the Head of Schools authorise all order requisitions and invoices prior to payment. The Chair of Governors authorises order requisitions over £5,000.

Where the school purchases large items, we adhere to the procedure for Spending the Council's Money as laid down in the Scheme for Financing Schools, in summary;

- For orders in excess of £8,000 but less than £50,000, three written quotations are obtained and submitted to the Finance and Pay Committee for approval and report to the Governing Body

- For orders in excess of £50,000, no fewer than three competitive tenders are sought and submitted to the Governing Body for approval.

All of the above will be reported and minuted at the appropriate Governing Body meeting to ensure that the school is seen to be obtaining value for money at all times.
