

## Jo Clarke – author visit KS2

KS2, had a visit today from Jo Clarke, the author of 'Spellboda.' She generated a great deal of excitement, sharing her thoughts and ideas about the creative writing process. Jo encouraged the children to close their eyes and imagine the start of their own stories, beginning in a snow-covered forest. They created, pictures in their minds, which they then built upon by conjuring up their lead characters.

Jo then spent time with a small group of gifted and talented writers to extend their creative experience even further. She also shared her own very exciting news; she is off to L.A on the 26th November to meet a film producer and to begin writing the film script for her first novel! We wish her every success for the future.
