

**PARKSIDE COMMUNITY FOUNDATION
PRIMARY SCHOOL
OWLS CLASS LETTER
TERMS 3 & 4**

Friday 12th January 2024

Dear Parents/Carers,

I would like to take the opportunity to welcome you all back to school in Owl class, after the Christmas break. We have lots of exciting learning and activities planned for Term 3 and 4, and are committed to ensuring your children continue to develop their knowledge and skills as independent learners, creative thinkers, reflective pupils, team workers and effective participators. Our new topic, USA, will be taught over both terms and I hope it will engage and excite the children as they learn about the geography and culture of this very diverse continent.

Term 3 Topic- USA

Our topic is a geography focus this term and children will be learning about the names of continents and countries found within them and label the countries in North America. Children will also locate states on a map of the USA and discuss the differences between them by looking at images and videos. They will learn to use compass directions to describe movements between states and cities and locate and describe tourist, physical and human landmarks in the USA. Children will also learn about the different effects of tourism in the USA eg economic and environmental.

In science, we will be learning about FORCES (in relation to transport) eg gravity, resistance, friction and up-thrust.

In maths, children will continue to learn about fractions, multiplication, short division with remainders and problem solving with multiplication and division.

In English, we will write a story setting, diary entry, narrative, non-chronological report and character description related to our term 3 and 4 text, 'Holes' by Louis Sachar.

Term 4 Topic- USA

After half term, we will continue to learn about the USA. In term 4 we will be looking at the impact of tourism in Chicago, New York and Las Vegas.

In English we will be continuing our book study of 'Holes' and writing character descriptions, persuasive adverts and a play script (as well as instructions for making 'splish!')

In maths we will be revisiting fractions and then move on to looking at decimal and percentages and their fraction equivalents. Children will also continue to practise and learn times tables to 12.

In science, we will be continuing our learning about FORCES but will be focusing on investigation skills, using levers and pulleys.

Forest School:

In Year 5, we will be going out to the Forest School **every** Wednesday afternoon. The children will go out altogether, as one group. They will attend forest school in all weather conditions, where safe to do so, and should be dressed appropriately in suitable clothing e.g. hats, coats, gloves, sun-cream etc. Sturdy footwear or wellies will also need to be worn. Your child may wear their forest school clothing to school.

ATTENDANCE:

I would like to take this opportunity to remind you how important good attendance is for optimum learning and progress. At Parkside, we aim for 95% attendance or more to ensure our best possible learning is able to take place. It is also important that children arrive to school on time so they start their day in the best possible way and are ready to start their learning with the rest of their class.

UNIFORM: This is a reminder that all children should be wearing the correct school uniform. This consists of: Parkside School jumper so children can take pride in our school logo (or a navy jumper/cardigan), a white shirt or blouse, grey/black trousers or a skirt (or short/summer dress when it is warmer) and black school shoes.

Dates:

Friday 9th February- End of Term 3
Monday 19th February- Beginning of Term 4

Thursday 7th March- World Book Day
Monday 11th- Friday 15th March- Careers Week
Friday 22nd March- Reports to come home
Wednesday 27th March- Parents Evening
Thursday 28th March- End of Term 3

PE will be on a Monday afternoon and Thursday morning so children will need to ensure they wear their PE kits to school on these days and not their uniform. PE kits consist of dark shorts, coloured t-shirt (according to House colours) and plimsolls or trainers.

Homework/Readers

The children will be set times tables and spellings on a Monday to practise at home so they are ready for a short test the following Friday. Children are also expected to read at home at least five times a week.

REACH for the Stars

Resilience

Effort

Aspiration

Courtesy

Honesty

Healthy snack and lunches

Children are provided with a bagel at break-time. If children wish to bring their own snacks in from home, this must be either fruit or veggie sticks.

Packed lunches should also be healthy e.g. a sandwich, yoghurt, a piece of fruit and a snack-bar

If you have any questions or anything you wish to discuss with me, please make an appointment at the school office or send me a message on Class Dojo.

Mrs Williams
Year 5 Class teacher
