The Life of Jesus

An angel told Mary she would have a special baby.

Jesus was born in a humble stable.

Jesus grew up with Mary and Joseph in a small town.

When Jesus grew up, he taught people about God.

He performed many miracles like healing sick people.

Some people didn't like what Jesus was doing so he was arrested.

He was put on a cross and left to die.

He came back to life again and saw all his friends.

Finally, he went up to heaven to be with God.
