

Education Consultation

Creating satellite provision of St Nicholas Special School at Parkside Primary School

Consultation 28 February 2022 to 28 March 2022

28 February 2022

Kent County Council is proposing to make a prescribed alteration to St Nicholas (Community) Special School by establishing a satellite at Parkside Primary School.

Dear Parents/Carers, Students, Staff, Governors and Other Interested Parties

1. Introduction

Kent County Council (KCC) would like to hear your views on a proposal to make the following changes to St Nicholas Special School:

- Create satellite provision for 24 primary aged pupils at Parkside Primary School
- Increase designated number from 285 to 310

St Nicolas (Community) Special School is a day provision providing for boys and girls aged 4 to 19 with Profound, Severe and Complex Needs (PSCN). In addition to the main building at Holme Oak Close, the school also operates primary satellite provision at Chartham Primary School, Canterbury Primary School and St John's Primary School. St Nicholas School also has secondary satellite provision at Spires Academy, Canterbury Academy, as well as with Canterbury College for post 16 students. This provides students with opportunities for integration at a mainstream school or College for Post 16. The new satellite will provide additional opportunities and choice for integration for primary St Nicholas pupils.

2. Why are we consulting on proposals for St Nicolas Special school?

As the strategic commissioner of school provision, the Local Authority has a duty to ensure that there are sufficient school places for the residents of Kent. This duty applies to special school provision, as well as mainstream settings. Kent County Council does not have sufficient local specialist provision in mainstream schools and too many children and young people have to go to a specialist school too far from home to have their education, health and care need met.

3. Why Satellite Provisions?

Following joint discussions between KCC, St Nicholas School and Parkside it was agreed that the proposed primary satellite provision at Parkside Primary School would be an exciting opportunity for the schools to work together to provide additional specialist places in Canterbury District. There is an increasing number of children with an education, health and care plan (EHCP) requiring Autistic Spectrum Disorder (ASD) provision to meet their needs. It is anticipated that the satellite provision will support pupils with complex learning difficulties including ASD rather than the full range of PSCN.

Parkside Primary School would host a specialist satellite provision for up to 24 pupils. They would

have their own accommodation within Parkside Primary School which would be staffed by St Nicholas School. Pupils attending the satellite would continue to have access to support their needs and would be on the roll of St Nicholas School and their ECHPs would name St Nicholas as their School.

These exciting proposals will bring significant benefits as the partnership will enable staff skills and expertise to be developed by sharing good practice, and enable joint training and observation. Pupils will benefit from inclusive school opportunities.

We propose to make these places available for September 2022 and between now and then staff at St Nicholas will work closely with parents to identify who might attend the new provision. The pupils' needs, including their friendship groups, will be taken into account during this process.

4. How will the pupils in the satellite provisions be accommodated in the school?

Parkside Primary School has identified the old swimming pool building area as a site which can be redeveloped to create the new satellite provision. A new modular building will be provided on the site with facilities including two classrooms, therapy room and additional rooms required for the provision. The children would have a class base where they can receive some individual and small group teaching. The class would also provide a base for Specialist Staff who will support the children when they are included in mainstream teaching groups with children of the same age. The children will be on the school roll of St Nicholas School and the specialist teacher and teaching assistant will also be provided by St Nicholas School. A specialist assessment of the children's needs will identify that they are suitable for the mainstream school satellite. The headteachers of the schools will discuss who is most appropriate and should be admitted if supported by parents.

5. I have a question – who can I ask?

If you have any questions, please contact your child's school or email:
school.consultations@kent.gov.uk

6. The consultation process – indicative timeline

Date	Information
28 February 2022 to 28 March 2022	Consultation period
10 May 2022	Following the consultation, all views received, either by post or email will be reported to the Children's, Young People and Education Cabinet Committee and the Cabinet Member
6 June to 4 July 2022	If the Cabinet Member decides to proceed with the proposals, KCC will publish a public notice for a four-week period in a local newspaper at the school and on the KCC and school website. During this time comments and objections can be made about the proposals.
July 2022	The Cabinet Member considers all responses made and decides whether to proceed with the proposals.
September 2022	Implementation, subject to agreement

7. How can I give my views on the proposals?

There are a number of ways to give us your views on this proposal:

- By completing the on-line response form at www.kent.gov.uk/schoolconsultations
- By handing you response form into reception at St Nicholas Special school or Parkside Primary School.

Education Consultation

Creating satellite provision of St Nicholas Special School at Parkside Primary School

Consultation 28 February 2022 to 28 March 2022

- By emailing: school.consultations@kent.gov.uk
- By sending the attached response form to Marisa White, Area Education Officer, Brook House John Wilson Business Park, Reeves Way, Whitstable, Kent CT5 3SS

All responses need to be received by midday on 28 March 2022.

Visit www.kent.gov.uk/schoolconsultations for further information.

8. What happens next?

This consultation period closes on 28 March 2022. A report summarising the responses received during the consultation period will be submitted to the Children's, Young People and Education Cabinet Committee and the Cabinet Member will then decide whether to proceed with the proposal and publish statutory proposals in the form of a public notice.

The public notice would be published in a local newspaper, and for a period of four weeks following the publication date, any person can comment on the proposals. Having taken into account any responses, the Cabinet Member will then take a final decision on whether to proceed with the proposal.

Yours sincerely

Area Education Officer

We have completed an Equality Impact Assessment to see if the proposal could affect anyone unfairly. We welcome your views on the assumptions we have made and the conclusions we have drawn. To view the document, go to www.kent.gov.uk/schoolconsultations
